BROCHURE

Welcome Message

Dear Esteemed Colleagues and Friends,

On behalf of the **Organizing Committee**, it gives us immense pleasure to invite you to **HAEMATOCON 2026**, the **67th Annual Conference of the Indian Society of Hematology & Blood Transfusion**, to be held in the vibrant city of **Ahmedabad**.

This year's theme, "**Advancing Hematology: From Evidence to Clinical Excellence**," underscores a defining priority of modern medicine – the seamless translation of high-quality scientific evidence into consistent, measurable improvement in patient care. Beyond discovery and innovation, our focus this year is on refinement, standardization, and excellence in day-to-day clinical practice.

HAEMATOCON 2026 is being designed as a forward-looking academic forum that emphasizes practical applicability, multidisciplinary dialogue, and outcome-oriented learning. The scientific program will feature structured evidence updates, guideline-based discussions, real-world case deliberations, focused workshops, and dedicated platforms for emerging investigators. By encouraging thoughtful debate and critical appraisal of current data, we aim to strengthen clinical decision-making across all domains of Hematology and Transfusion Medicine.

In a rapidly evolving healthcare environment, excellence is not defined merely by access to new therapies, but by our ability to deliver safe, rational, and patient-centric care across diverse practice settings. Through collaboration among clinicians, laboratory experts, researchers, and policymakers, we hope to collectively elevate standards of care and ensure that progress in **Hematology translates into tangible benefit for patients nationwide**.

Ahmedabad, a city that beautifully balances heritage with innovation, offers an ideal setting for this exchange of knowledge and professional camaraderie. We are confident that **HAEMATOCON 2026** will provide an intellectually stimulating atmosphere along with opportunities to reconnect with colleagues and build enduring partnerships.

We warmly invite you to join us in shaping the next chapter of Hematology – grounded in evidence, guided by expertise, and committed to clinical excellence.

We look forward to welcoming you to HAEMATOCON 2026.
